The Bar

'The Scott Tallon Private Room' is a private room on the first floor which accommodates up to 44 guests seated, a horseshoe shaped table can accommodate up to 20 guests or up to 50 standing for a canapé reception. Decorated in a contemporary style with soft golds and tangerines the room has been described as one of the most stunning rooms in the city. A beautiful, central, handmade wheel chandelier lights the room and is reflected by a wall of bevelled mirrors.

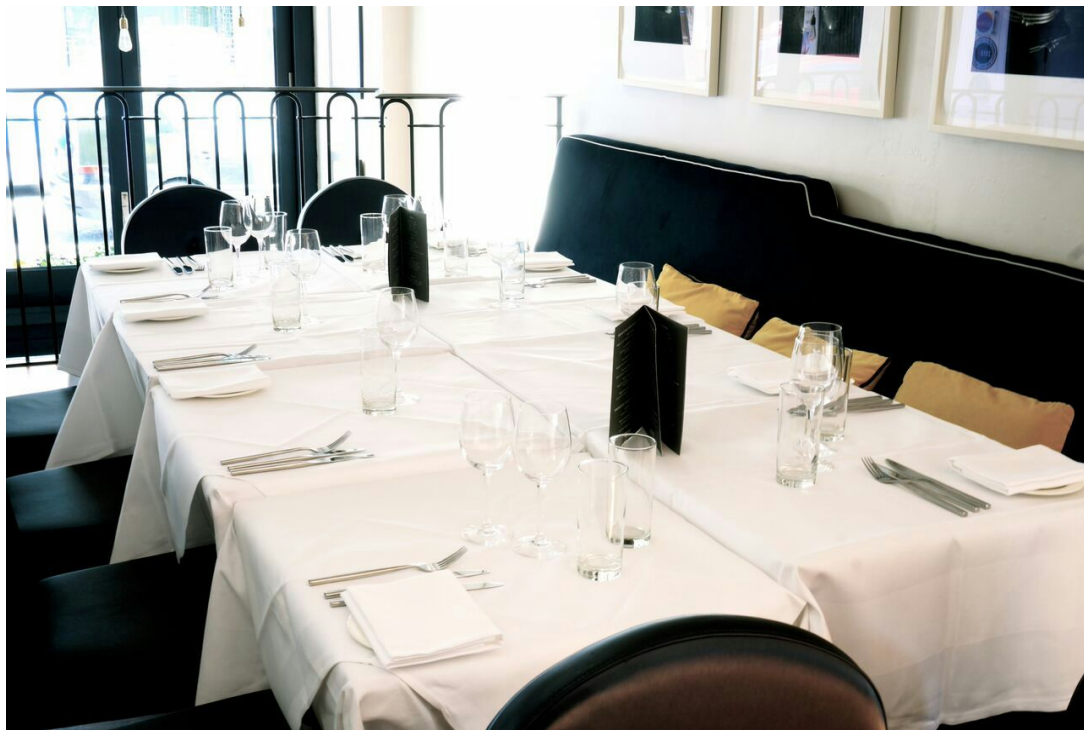

The Scott Tallon Dining Room

'The Mezzanine' on the ground floor, is a semi-private room which accommodates up to 30 seated guests or as an area for a drinks reception prior to dinner.

The Mezzanine overlooks the buzzing Merrion Row. It has an 'alfresco' feel with wall to wall large picture windows which open on to the street. There is an open kitchen on this level, which affords great views of the chefs creating their magic! Decorated in midnight blue and cool grey, the Mezzanine has a fun and active atmosphere.

The Mezzanine

'The Lower Ground Floor' downstairs from the main entrance offers a very relaxed and warm environment. Big comfortable leather chairs, soft blue and grey tones and the gentle clinking of glasses from the bar makes this area relaxed and laid back and a great place for more casual get-togethers. It accommodates groups up to 60 people seated.
